OFFICE OF LEGISLATIVE COUNSEL

Friday - 18 June 1971

25X1A

1. (Secret - JMM) On the Director's instructions, I met with Representative Charles Gubser (R., Calif.) and provided him with some information prepared by SAVA. In order to clear up some points of interest to Mr. Gubser, I put him on the phone with [REDACTED] of SAVA, who answered some of his questions.

I briefed Mr. Gubser on the status of Soviet ICBM deployment, Soviet naval activities in the Carribbean, and a recent Soviet strategic military exercise.

2. (Unclassified - JMD) In response to her request, Agency application forms and brochures were delivered to [REDACTED], in the office of Representative Spark Matsunaga (D., Hawaii).

3. (Secret - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, and gave him a letter from the Director dated 16 June concerning withdrawal from the Reserves. Mr. Preston questioned for the first time whether the benefits received by the Agency merit the cost.

Mr. Preston noted, in passing, that the Chairman is following with great interest debates on the floor of the House concerning the availability of information relating to the Central Intelligence Agency.

4. (Internal Use Only - JGO) Delivered to Miss Jean Gordon, Administrative Assistant to Representative Charles Gubser (R., Calif.), press clippings from the St. Louis Post Dispatch and the New York Times relating to bombing in Laos. This was a followup to Mr. Maury's earlier visit in the day to Representative Gubser.

5. (Confidential - JGO) Met with Mr. Jack Davis, Assistant to Representative William Scott (R., Va.), concerning Representative Scott's letter of 16 June requesting the Director's comments concerning CIA activities in Laos. In a word, Mr. Davis agreed that although events had overtaken the letter and the Badillo amendment that was referenced in the 16 June letter was defeated on the floor of the House yesterday, Mr. Scott is still very interested in the allegations made by Representative Badillo (D., N.Y.) concerning CIA activities in Laos and would desire a response in writing on this subject. After discussion, he agreed that he would discuss the matter with Representative Scott advising him that Agency operations are classified but that we would be pleased to talk to the Congressman if we could be of assistance to him. Mr. Davis will call me after talking to Representative Scott.
